Thank you for visiting Joint Experimentation.
It is our pleasure to be your host.

Location

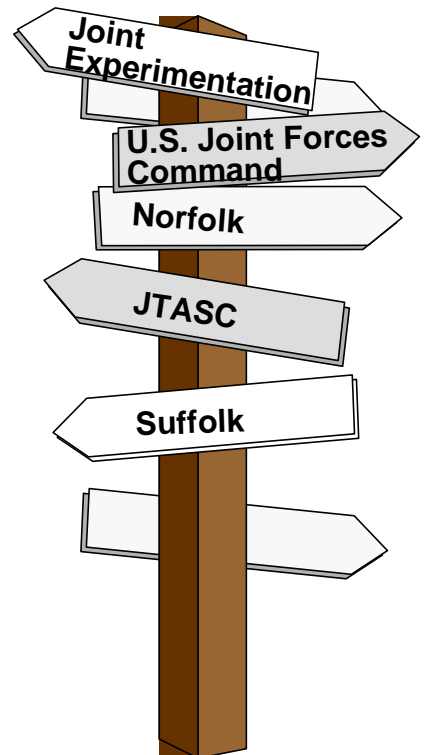

The Joint Experimentation (JE) facility, a directorate of U.S. Joint Forces Command, is located in Suffolk, VA. adjacent to the Joint Training, Analysis and Simulation Center (JTASC). The majority of the JE divisions reside at this facility. However, our Advanced Concept Technology Demonstrations (ACTD) Division, (J96) is located in Norfolk at the Headquarters compound in building NH-95.

JE's **mailing address**:

U.S. Joint Forces Command
Joint Experimentation, J9__
1562 Mitscher Ave. Suite 200
Norfolk, VA 23551-2488

JE's **physical address** for map coordination is:

U.S. Joint Forces Command
Joint Experimentation (J9)
115 Lake View Parkway, Suite B
Suffolk, VA 23435

General Information

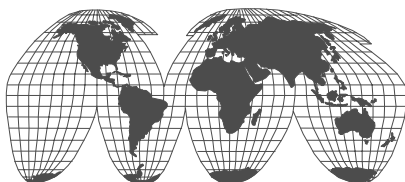

Joint Experimentation (JE) is accessible either from the Norfolk International Airport, Norfolk, Virginia, or the Newport News/Williamsburg International Airport, Newport News, Virginia.

JE is accessible 24 hours a day. Upon your arrival at the facility, please check in at the security desk in the main lobby. During conferences/exercises over at the JTASC, signs will be posted for special registration areas.

JE is a non-tobacco building. Smoking is not permitted in front of the building. The designated smoking area is located behind the building.

All visitors to JE, JBC, JTASC and NSWC are required to sign in and out at the security desk and to display the visitor's badge issued to them at the time of sign-in. Visitors issued "Escort Required" badges need to remain with their escorts at all times.

JE is a secure facility. Visitors must submit a valid visit request to the JE Security Office prior to arrival. Visitors may enter or exit the building only through the lobby doors. Any questions you may have regarding visitor control or security procedures may be addressed to any member of the security staff. The security office is located in the lobby.

ADP SECURITY

COMPUTERS

No computer can be connected to the J9's Unclassified or Classified network unless it is owned by United States Joint Forces Command (USJFCOM). All diskettes, LS-120 floppy disks, Zip/Iomega cartridges or any removable electronic media must be scanned for viruses at the J9 security desk before used on any JE computer. Any visitor's presentation provided on electronic media must be scanned for viruses and should be compatible with the Microsoft office software suites if used on a JE computer. Any questions related to classified material handling should be directed to the JE Security Manager.

All non-USJFCOM computer related equipment must be checked at the security desk upon arrival at the JE facility. Each visitor that wishes to bring computer related equipment into the JE facility will provide a letter, memorandum, property pass or other documentation from their systems security officer. This document should state that they are authorized to have the computer (by serial number) and what anti-virus software (including version) is installed on the computer. If the visitor does not have the required documentation the Security Guard will issue a temporary property pass.

If the visitor will be working or visiting the JE's Simulation and Analysis Center (SAC) some exceptions are allowed with special permission from the SAC Point Of Contact (POC). All non-USJFCOM computers will be allowed to connect to the unclassified Information Technology Backplane (ITB) with a property pass and special permission from the SAC POC. These non-USJFCOM computers can not be connected to the Classified ITB. All USJFCOM/Government owned computers with property passes will be allowed to connect to the Unclassified ITB within the SAC.

ADP SECURITY

Laptop & Palm Pilots Authorization Requirement

No privately owned Laptop/Notebook computers or non-USJFCOM Government owned computers shall be used to process classified material in the JE facility. Privately owned computers are not permitted to connect to the network. Government owned Laptop/Notebook computers used to process mission related unclassified data will comply with all software copyright laws, vendor licensing agreements and have DOD approved anti-virus software installed with the most current anti-virus definition files. Privately owned Laptop/Notebook owners must obtain a temporary property pass from the J9 Security Guard prior to bringing their computer into the JE facility.

All Personal Digital Assistant (PDA) units, i.e. 3Com Palmtops, will be identified to the J9 security upon arrival. These PDAs may not be connected to the J9's Unclassified network. No PDA unit shall be connected to the classified network regardless of ownership. PDAs found connected to the J9's classified network or any classified computer will be forfeited to J9 security.

All non-USJFCOM Laptop/Notebook/PDAs will be allowed to connect to the Unclassified Information Technology Backplane (ITB) with a property pass and special permission from the SAC POC. These non-USJFCOM Laptop/Notebook/PDAs will not be allowed to connect to the Classified ITB. All USJFCOM/Government owned Laptop/Notebook/PDAs with property passes will be allowed to connect to the Unclassified ITB within the SAC.

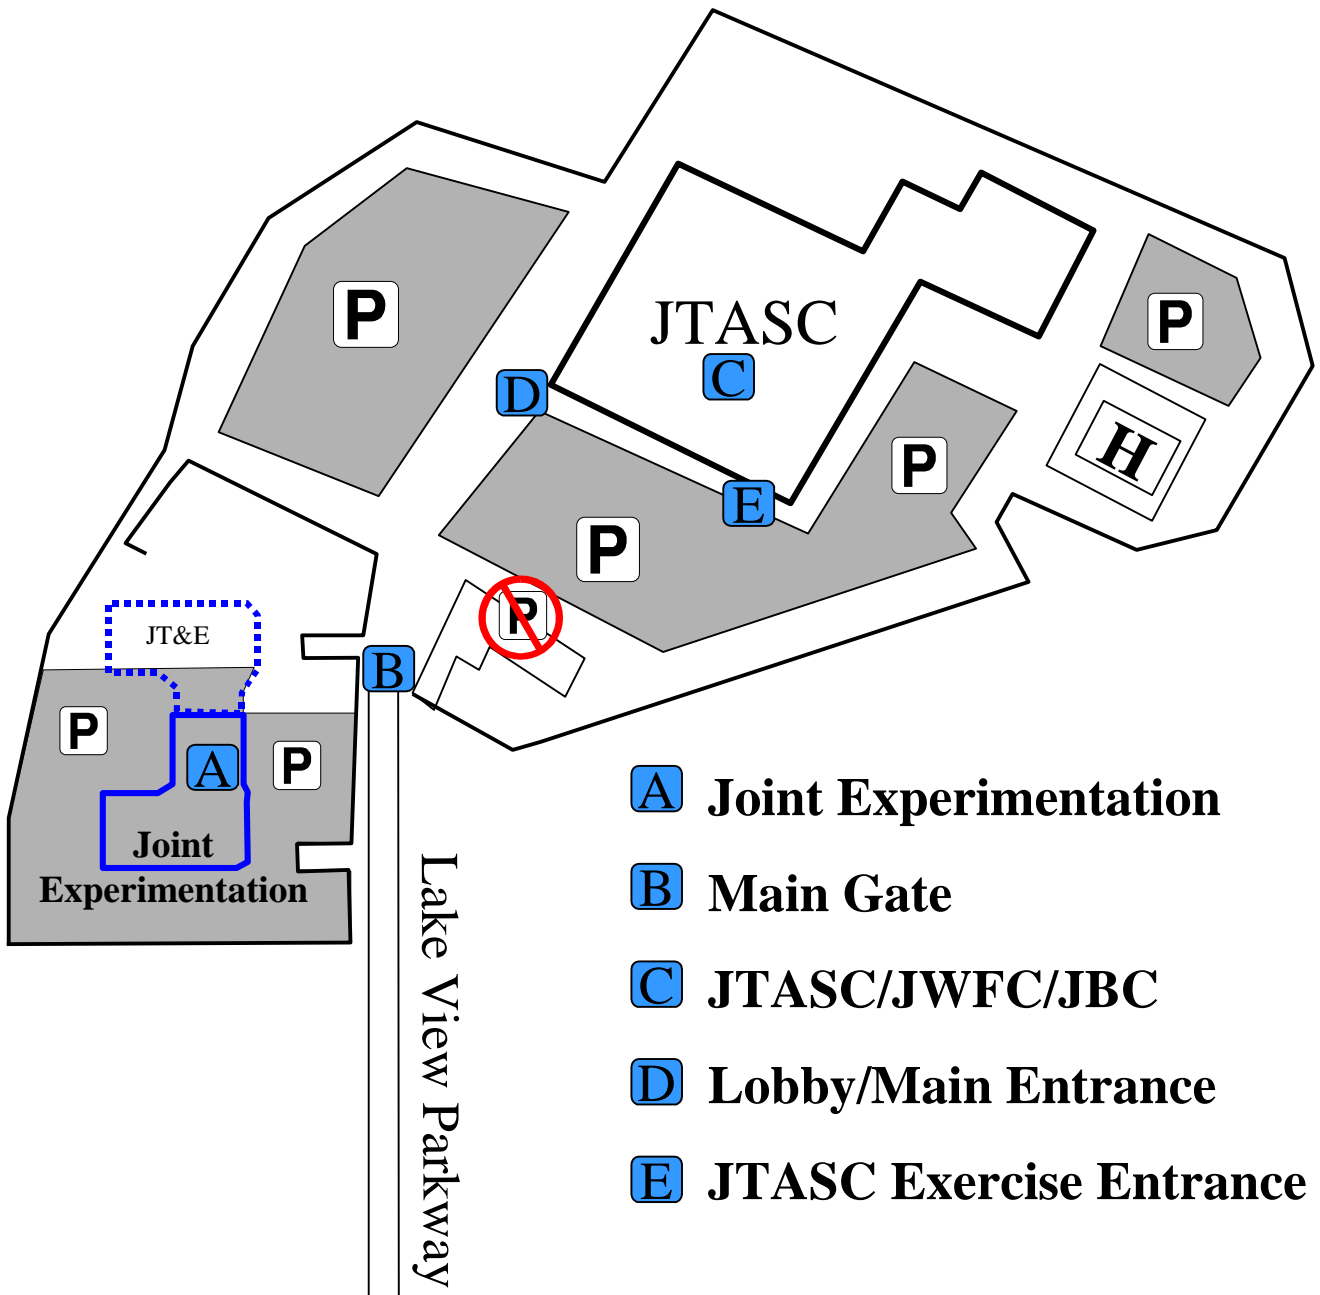

TRANSMITTING DEVICES

Communication devices such as radios, cellular telephones, and other transmitting devices may not be used in JE restricted areas, such as the SAC, or use in proximity to classified automated or communication systems. All non-USJFCOM communication devices shall not be allowed in the SAC. The JE Security Manager must approve any introduction of or use of communications equipment in the JE facility.

Parking Facility

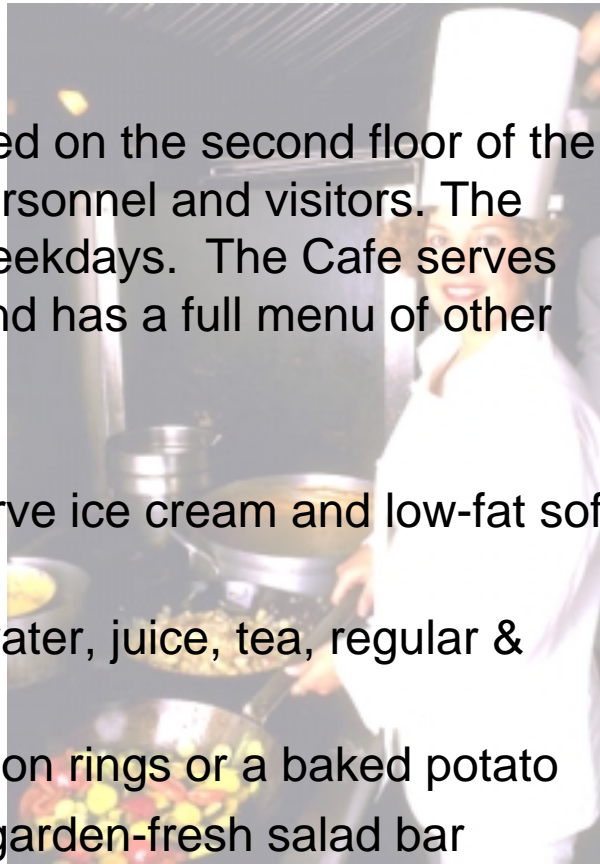

JE is located diagonal to the JTASC building at the Suffolk complex. At the main gate a guard will check IDs. Take the first left down the fence line. At the end, make a left turn and proceed to the front of the building (closest to Lake View Parkway). JE is the second entrance down the building front. VIP visitor parking is designated. All others may park in any other undesignated “white striped” parking space. In accordance with fire lane clearance requirements, there is no parking along the curb. Parking is prohibited in the Child Care Center Parking Lot.

Cafeteria Information

The Sunny Side Up Cafe is located on the second floor of the JTASC building and is open to all personnel and visitors. The hours of operation are 0700-1500 weekdays. The Cafe serves daily breakfast and lunch specials and has a full menu of other items such as:

- Hot and Cold Sandwiches
- Snacks such as popcorn or soft serve ice cream and low-fat soft pretzels
- Soft drinks, sports drinks, bottled water, juice, tea, regular & gourmet coffee
- Side items such as french fries, onion rings or a baked potato
- Lite fare such as soup, chili and a garden-fresh salad bar

Barber Shop

- Located on the second deck of the JTASC building next to the Sunny Side Up Cafe.
- Hours of operation are 0700 -1400 on Mondays and 0800 - 1200 on Tuesdays. If Monday is a holiday, the shop will be open on Tuesday from 0700 -1400.
- Prices are located within the shop.

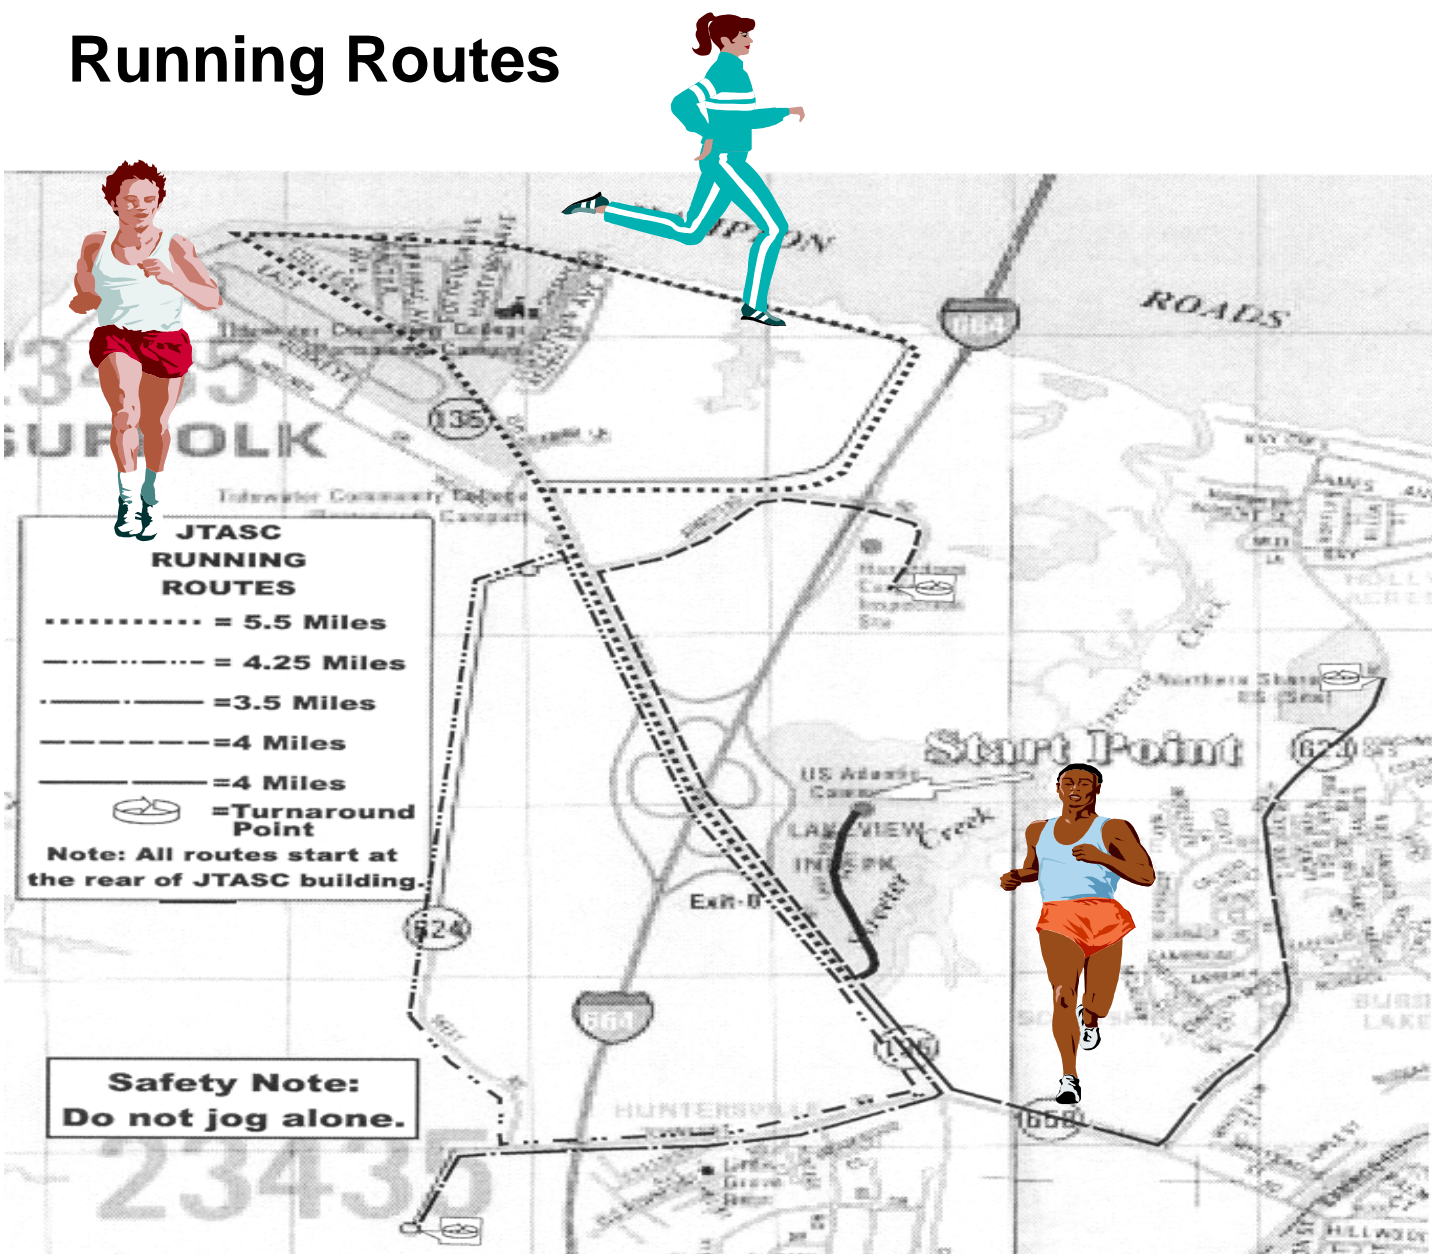

Automated Teller Machine

- For cash withdrawals a Naval Supply Center Federal Credit Union ATM is located on the first floor JTASC building, behind the guards' desk
- It accepts THE EXCHANGE, CIRRUS, EXPRESS CASH, DINERS CLUB INTERNATIONAL, VISA, MASTER CARD DISCOVER CASH NETWORK cards.

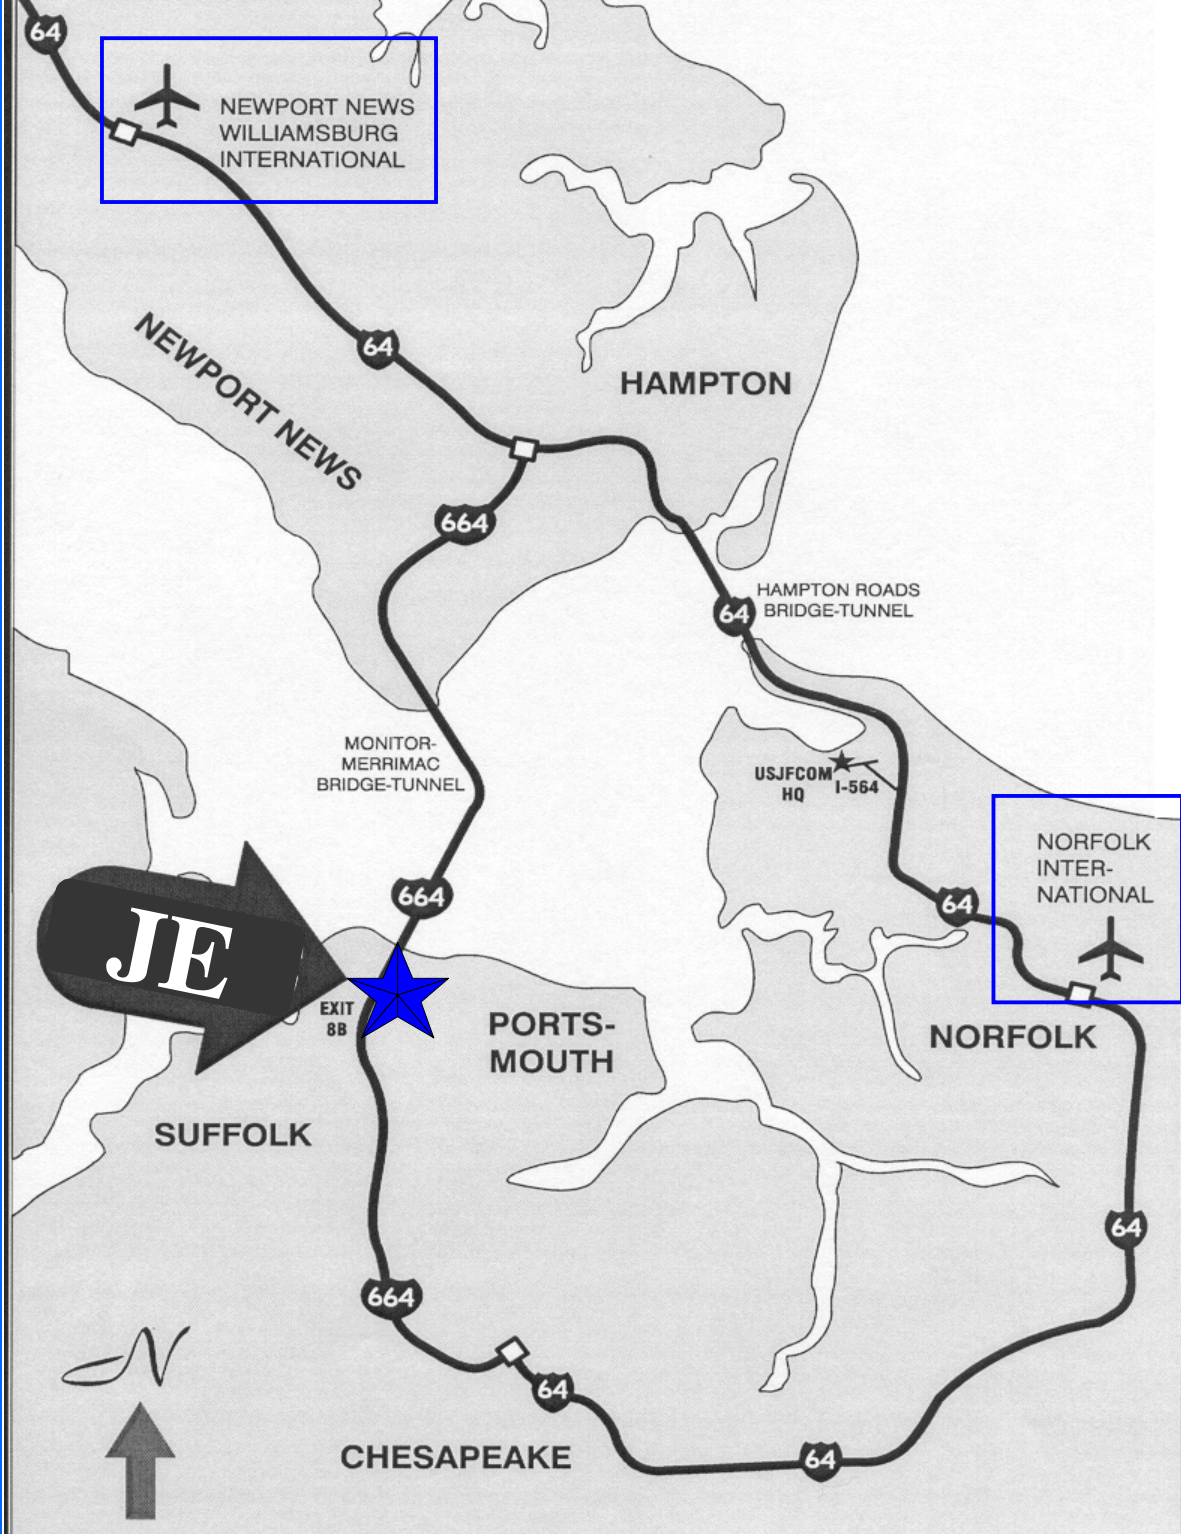

Fitness Center

The JTASC fitness and weight training equipment is located on the first floor in the high bay next to Test Bay 31. The men's shower room is also located in that area. The women's locker room is located on the second floor in the back of the barber shop.

Running Routes

Airports

NEWPORT NEWS / WILLIAMSBURG INTERNATIONAL AIRPORT

Follow signs leading to Interstate 64. Take I-64 East, towards Hampton. At Interstate 664 interchange, follow I-664 South, towards Suffolk. Upon crossing the Monitor-Merrimac Bridge-Tunnel, look for College Drive signs and take exit 8B. Once on College Drive, you will see JE on the left.

Take the left turn into the industrial park area via Lake View Parkway. This road will terminate at the JE/JTASC main gate parking lot.

- Total miles: 23

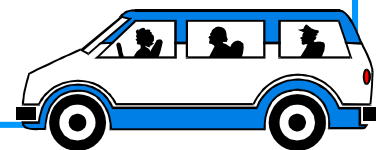

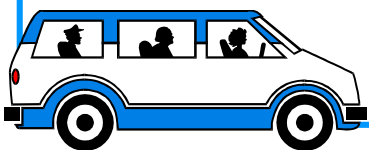

NORFOLK INTERNATIONAL AIRPORT

Follow signs leading to Interstate 64. Take I-64 East, towards Chesapeake. At Interstate 664 interchange (exit 299B; approximately 20 miles), follow I-664 North, towards Newport News, to College Drive (exit 8B).

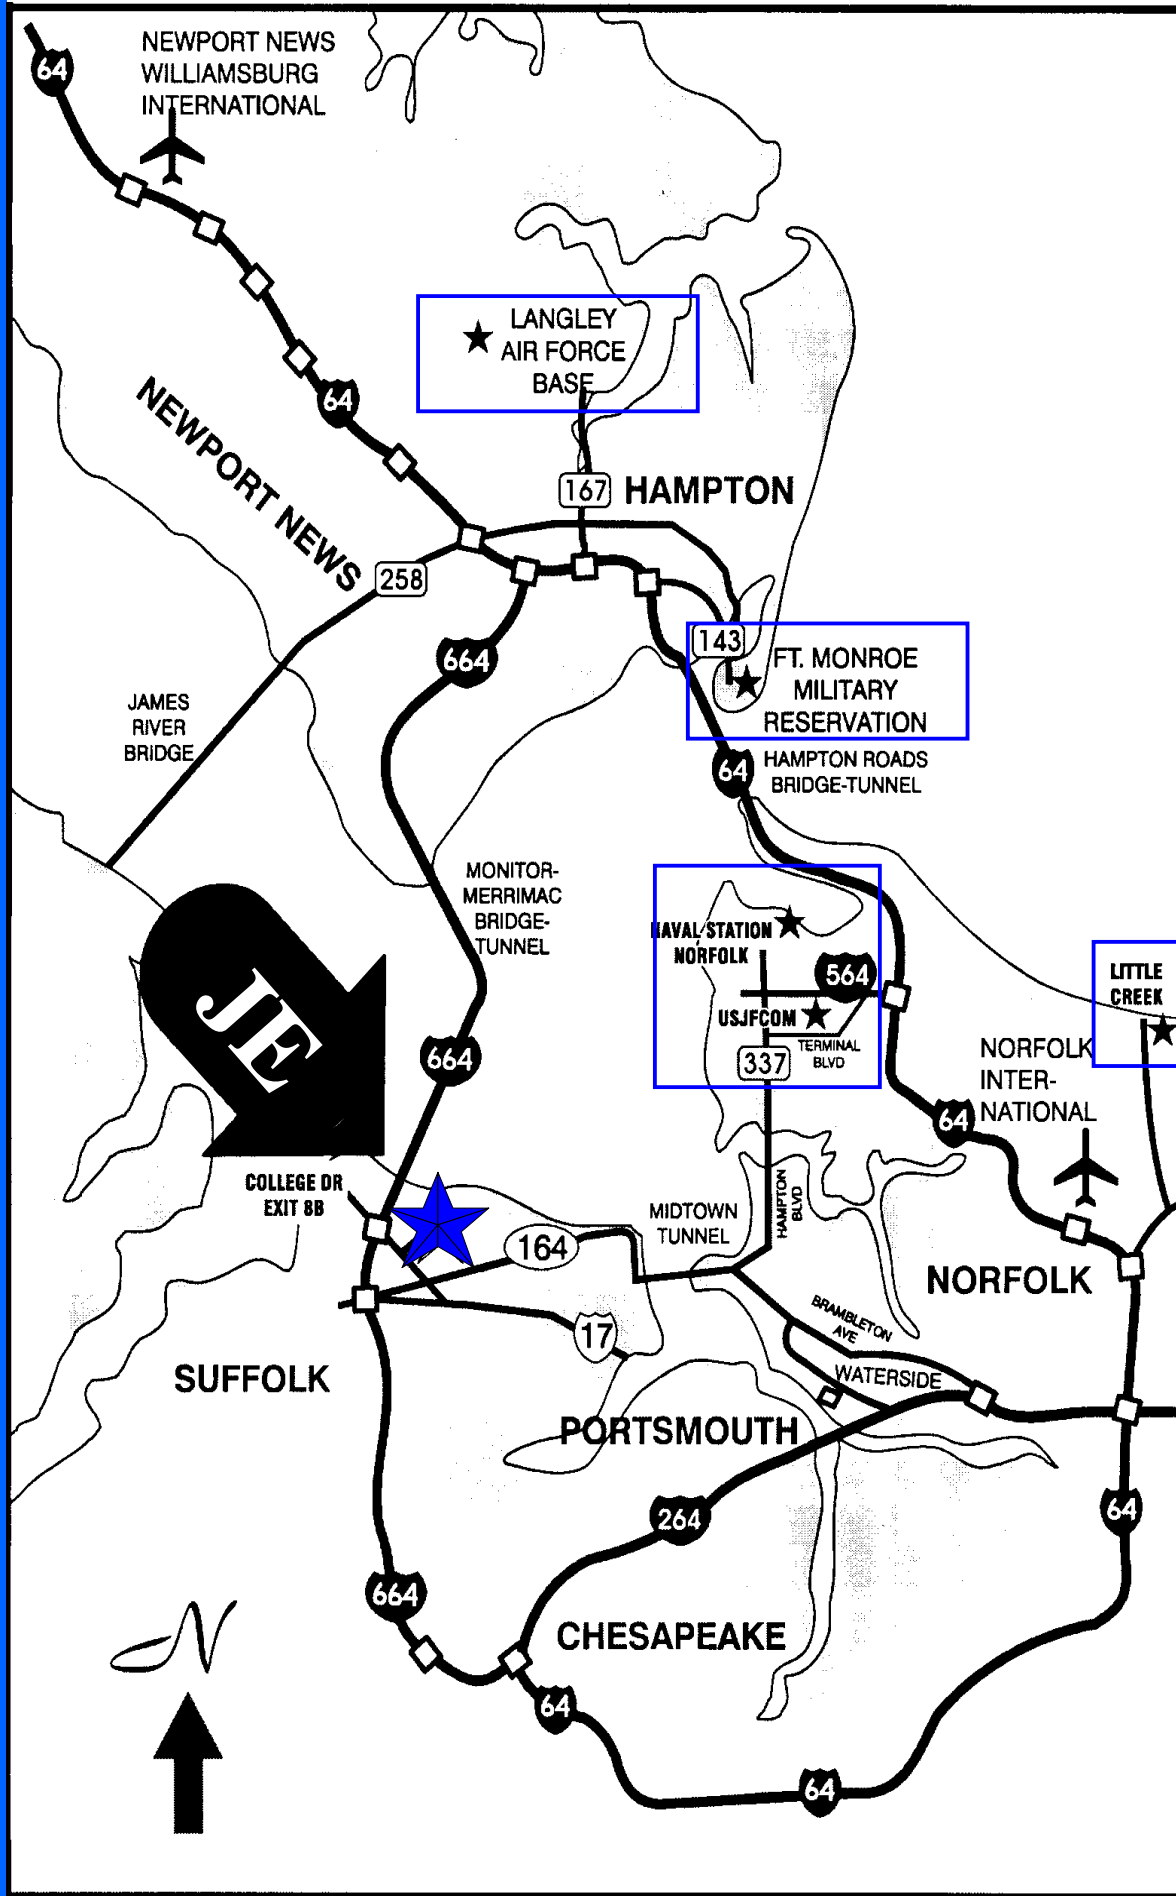

Once on College Drive, you will see the JE on the left.

Take the left turn into the industrial park area via Lake View Parkway. This road will terminate at the JE/JTASC main gate.

- Total miles: 30

Bases

Directions to JE from:

U.S. JOINT FORCES COMMAND HEADQUARTERS AREA
